

# CURRICULUM VITAE

Qi Li

[qli1@usc.edu](mailto:qli1@usc.edu)

## Education

- Ph.D student in Center of System and Software Engineering, Department of Computer Science, University of Southern California, expected in May 2013
- M.S. in Computer Software and Theory, Institute of Software, Chinese Academy of Sciences, July 2008
- B.S. in Computer Science, College of Information Science and Technology, Beijing Normal University, July 2004

## Current Research Interests

- Cost Estimation
- Value-based Software Engineering
- Empirical Experiment and Analysis

## Publication

- Qi Li, Qing Wang, Ye Yang, Mingshu Li “Reducing Biases in Individual Software Effort Estimating Methods: A Combining Approach” Accepted by the 2nd International Symposium on Empirical Software Engineering and Measurement (ESEM)
- Ye Yang, Qi Li, Mingshu Li, Qing Wang “An Empirical Analysis on Distribution Patterns of Software Maintenance Effort” Accepted by the 24th IEEE International Conference on Software Maintenance (ICSM)

## Honors and Awards

- Outstanding Graduate Award for Excellent Study and Research of Chinese Academy of Sciences  
January 2006-December 2006
- Graduate Fellowship, Institute of Software, Chinese Academy of Sciences  
September 2005-July 2008
- The “Best Students in Overall Achievement” of Beijing Normal University  
September 2002-August 2003
